WORKSHOP PROPOSAL

Workshops are a successful way to connect, network and share wisdom and resources with health care professionals, dog enthusiasts, families and the community. We enjoy being able to offer educational events, in an affordable way, in a smaller, more intimate environment.

Example of workshops presented: behavior and training, well-being, nutrition, TTouch, Reiki, Massage, grooming and pet-assisted therapy. Other ideas welcomed.

DTAWS is a climate controlled pleasant, handicapped accessible, 2400 square foot sanctuary that comfortably accommodates up to 40 attendees. If you like presenting to smaller groups, this may be a good choice for you!

Workshops are usually held bi-monthly on Saturday or Sunday, all day, or 1:00 – 5:00, with the exception of Holidays.

If you would like to present a workshop, fill out and e-mail the attached proposal, with date, time and outline. Give us a call at 603-635-DOGS (3647).

GUIDELINES FOR COSTS, SPACE AND ADVERTISING

We'll assist in any way we can to make this a positive experience. The workshops will be captured under events at two web sites and e-marketing newsletters.

70/30: 30% covers facility costs (*lights, heat, ac and training sanctuary, which is a climate controlled, pleasant environment*). We can provide microphone, 8-foot screen, 32 inch flat screen (DVDs) and refreshments. Special requests are considered.

Example: 10 attendees at \$40 = 400. 70% = \$280 (yours) 30% = \$120 to DTAWS

Presenters are responsible for their registration and outline information, additional advertising fees, hands-outs and follow-up inquiries to their workshops, JPEG photos and/or website.

Workshop inquiries / follow-up should be referred to **your** email, website or phone(s) on your registration.

Fill out the attached workshop proposal form. Email to dogswellbeing@comcast.net.
